

**New York State Department of Transportation
Wetland Mitigation Bank Debit Certificate**

This *Wetland Mitigation Bank Debit Certificate* hereby certifies that the New York State Department of Transportation Region 4 (DOT) has taken all practicable measures to avoid impacts to wetlands and aquatic resources in the design of the project listed below, and the project includes all practicable measures to minimize harm to the impacted resources. The DOT further certifies that on-site mitigation has been determined not to be economically and/or ecologically feasible for this project and that the DOT Wetland Mitigation Bank will be utilized to satisfy all state and/or federal compensatory wetland mitigation requirements.

A copy of this *Wetland Mitigation Bank Debit Certificate* is to be filed with the appropriate regulatory agencies for all transportation projects requiring individual, nationwide, general or programmatic permits. This Certificate will be filed with the regulatory agencies listed below:
